

Kind Hearts Give Back Sponsorship Packages

The Kind Hearts Give Back Ball is a self-funded charity event that raises money and awareness for Cancer Charities. Past events have solely relied upon company sponsors to cover the cost of Marketing, Production, Sound and Lighting, Theming and Décor, Event Staff, Entertainment, Drinks Reception.

By obtaining these donations it means that every penny we raise from the evening can be donated to those who need it.

The sponsorships also helps me to keep the ticket price affordable to a wider range of people rather than setting the price higher to make more money for the charities. I feel that we offer fantastic value of money for guests as well as raising money in fun, unique ways.

If you watch the event videos, or have attended past events, I hope that you would agree.

For anyone who may be looking to sponsor the ball there are 3 main tiers, but I am happy to customise to suit a potential company sponsors specification.

Package A:

The display of the companies product / marketing material in the main event suite
The display of a backdrop / pull up banners in the drink reception area
Announcement(s) throughout the night about the company sponsor
Logo used on all promotional material (program, tickets, flyers and posters), social media posts and advertisements
Logo on screens during pre-dinner drinks
Logo on event staff T-shirts
1 x Table of ten for the event.

Price £1,500.00

Package B
